WHY THE MITA?

Five objectives to transform agri-food systems.

- Showcase proven technologies
- Demonstrate in real-world settings
- Facilitate multi-stakeholder dialogue
- Unlock investment and market opportunities
- Accelerate adoption and scaling

WHAT HAPPENS

AT MITA?

Four formats to move from research to the field:

- **Knowledge sharing** — thematic sessions and lessons learned
- **B2B meetings** — developers, investors and agribusinesses
- **Policy dialogue** — policymakers, donors and researchers
- **Field visits** — Agricultural Innovation and Technology Parks
